OAHU COLLEGE STUDENTS EXTEND A HELPING HAND

Regardless of the large amount of studying required of them, the high school students at Oahu College have accomplished a good bit of work this term through the Hui Pauahi.

As a rule this club prepares Christmas dinners and helps with the celebration in the homes of the poor, but this year the public has centered all its efforts upon raising funds for the Malihini Christmas tree and will, when the money is raised see that all of the poor children have a Christmas so the Hui Pauahi has not attempted to do anything along that line.

Last Friday at the closing exercises of the Punahou preparatory school the children from the first to the eighth grade contributed presents which were later given to the Associated Charities and to the Salvation Army. They will be used on the Christmas trees arranged by these two organizations.

The Hui Pauahi gave two small celebrations last week for the young people with whom they have been associated this term and in this way gave the term work a cheerful ending. On Friday evening the Boy's Club met at the club house at the Kawaiahaeo church and there had an entertainment for the young men. The evening was spent playing games and the boys were given a treat to ice cream and cake at the close of the evening.

The following Saturday the Girls' Club entertained the girls they have been working with during the term. The amusement this time was in the form of a picnic at Kaka'alei. The club members and the girls of the Kaka'alei district mingled together and a pleasant day was spent.

Work of Fall Term.
Now for something that the Hui Pauahi has accomplished during the eighteen weeks of the fall term.

The two branches that have perhaps been most active are the Girls' Club under Miss Elizabeth Low and the Boys' Club with Mr. Dixon Nott as its chairman.

The Girls' Club met every Monday evening at the clubhouse at Kawaiahaeo Church and there entertained twenty or more girls. Two basketball teams have been organized and the young ladies spent the evenings playing indoor baseball and basketball. The smaller girls who could not play the rougher games amused themselves by making scrap books.

The work of the Boys' Club has been similar to that of the Girls' organization. The boys gathered at the clubhouse once a week and entertained the boys in the same manner the girls amused their proteges.

The bandage committee under Miss Ruth Stacker has in all six members. This committee meets once or twice a week and makes bandages which are sent to the Children's Hospital. This term thirty-four rolls of bandages were made. There was more work to be done but the girls were hindered because of the lack of bandage machines.

The sewing committee with Miss Elsie Chalmers as its chairman has done a good bit of sewing in the few months of the term. Their efforts have been turned towards the fashioning of children's garments. A number of dresses have been completed and the members have taken several garments to their homes to finish during the holidays. When these garments are finished they are turned over to the different charitable institutions.

The scrap book committee presided over by Miss Myrtle Schuman did no definite work until the latter part of the term, as the committee was not really organized, until then. There are fifteen girls who have since the latter part of November cut out a large number of pictures and have secured the red and green cardboard with which to make the folders. This committee meets but once in three weeks and had only a few meetings before the closing of school. The young ladies are confident, however, that the books will be completed in the early part of the next term. These books, when completed, are sent to the Children's Hospital for the entertainment of the little "shut ins."

KNOW NOW

And Will Never Forget the Experience.

The coffee drinker who has suffered and then been completely relieved by changing from coffee to Postum, knows something valuable.

A lady says: "I learned the truth about coffee in a peculiar way. My husband who has for years been of a very bilious temperament decided to leave off coffee and give Postum a trial and I concluded to try it too. The results have been that while my husband has been greatly benefited, I have myself received even greater benefit."

"When I began to drink Postum I was thin in flesh and very nervous. Now I actually weigh 16 pounds more than I did at that time and I am stronger physically and in my nerves, while my husband is free from all his ills."

"We have learned our little lesson about coffee and we know something about Postum, too, for we have used Postum now steadily for the last three years and we shall always continue to do so."

"We have no more use for coffee—the drug drink. We prefer Postum, the food and health drink."

A foreigner who protested against a grafting taxicab charge in San Francisco and had the man arrested, was shown into jail over night so he would be sure to be on hand on the morning when the case was called. The police allowed the taxicab driver to furnish bail.

Keep the Boy at Home Buy A Home Billiard Table

Cash and Time Payments Running Through 12 Months

"Cares and worries take wind—flight of time forgotten when genial companions match wits and skill in a lively game of billiards."

LADIES!

In doubt about the gift for the man who smokes should let their thoughts dwell on a **HUMIDOR**, because his smokes will always be fresh.

The Man of the House

who wants good things for the table well kept should select as a combination present for himself and family a **WICKES REFRIGERATOR** because of its superior economy of ice and marvelous refrigerative qualities. Besides, it is a beautiful addition to the decorative equipment of a house.
